

# GOOD2GO ORDER STAND

Support your phone and online orders while protecting your associates from airborne and contact contaminants.

- Position at the entry to your store and service your customers without the need for them to enter and bring potential contaminants through the building.
- All surfaces are non-porous and easily sanitized as needed.
- 1.25" x 3" clear label holders designate separate order locations.
- 24" d x 18" h shelf spacing for larger bags and sale items.
- Optional full color header graphic.
- Optional full color label graphics.
- Many color options are available.

Contact C Pathe to discuss your specific needs and secure your Good2Go Order Stand. Proudly manufactured in Dayton, Ohio
